

Temple Beth Shalom • Nursery School
Kodem Kol • 2018 - 2019

While the official starting time of our three-year-old and four-year-old classes is 9:00 a.m., and the two's class begins at 9:15 a.m. on Mondays through Fridays, some families schedules necessitate an earlier arrival time. The Temple has responded to this scheduling need with an early drop-off program, "Kodem Kol".

"Kodem Kol" (translated as "first of all; first of everything") is offered on a daily basis from 8:00 a.m. (or a bit earlier if needed) until the official start of school. When you arrive you are to sign your child in to Kodem Kol in the "Red Room". Billing is based on your sign-in. The program is facilitated by preschool staff and provides supervised play for a limited number of children who need to be here earlier. The children are then accompanied to their classroom and signed in by our staff at the start of their nursery school class.

Children may attend Kodem Kol on a regular schedule, or on an as needed basis by informing the office. To utilize either of these options, please sign this form. If you know of specific weekly days that your child will attend, please indicate below. As a courtesy, Kodem Kol is available at no fee to parents having before-school conferences.

Child's Name: _____

Yes, I would like my child to participate in the **8:00 a.m. (or a bit earlier if needed) drop-off Kodem Kol** program as indicated below.

Parent's signature
