

Temple Beth Shalom • Nursery School
Sach HaKol • 2018 - 2019

Following our Afternoon Enrichment programs, some families schedules necessitate a later pick-up time. The Temple has responded to this scheduling need with a late stay program, "Sach HaKol".

"Sach HaKol" (translated as "the end of it all") is offered Monday - Thursday from 2:00 - 3:00 pm. Your children will be signed into Sach HaKol in the "Red Room" by their After School enrichment teacher. Billing is based on this sign-in. The program is facilitated by our preschool staff and provides supervised play for a limited number of children who need to be here later.

Children may attend Sach HaKol on a regular schedule, or on an as needed basis by informing the office. To utilize either of these options, please sign this form. If you know of specific weekly days that your child will attend, please indicate below. As a courtesy, Sach HaKol is available at no fee to parents having after-school conferences.
